Stunning Chalet with a private funicular lift to the entrance!

Located in the exclusive Petit Village area of Zermatt and within arguably the best possible views of the Matterhorn, this chalet is one of the rare free-standing properties available to rent. The Sunnegga lift is a mere three minutes away and the centre of town a further two minutes by electric taxi.

This property, designed by renowned architect Magali de Tscherner, was built in December 2008, and it is filled with sumptuous fabrics and rich wood in palates of charcoal grey, cream and white, all combining to form a luxurious and chic alpine retreat. The open plan living area and dining room create a feeling of comfort and light. Large south-facing balconies on each floor, offer the perfect spot to sunbathe and soak up the breathtaking views.
