Chalet epitomises the modern luxury ski chalet. Combining Savoyard authenticity with contemporary luxury, it features an indoor swimming pool and hammam and is located on the private estate of Les Fermes de Val d'Isère. The panoramic windows make the most of the dazzling alpine scenery. On the top floor the fifth en-suite bathroom is simply outstanding: full of character and romance, it sits alone beneath the eaves and feels like staying in an original alpine chalet.

Layout

On the ground floor is the fabulous wellness area with indoor swimming pool with jet stream and hammam (steam room). There is also a TV room / study / playroom which adds a useful degree of versatility and can even be used for an extra occasional bed. On the first floor are four bedrooms all with private bathrooms decorated with fine Italian tiles and crisp white porcelain. The bedrooms and living room feature a wealth of beams and panels of old reclaimed wood, which makes them truly unique. On the second floor, an authentic stone fireplace compliments the spacious open plan living room and dining room and a large sun terrace adds to this already impressive area. On the top floor is the fifth en-suite bathroom.

Location

In the peaceful, private "Fermes de Val" area, the property is a 10 minute walk from the centre of Val d'Isère and a 8-10 minute walk to the Bellevarde Express lift - although driver service is just a call away!
