### The biggest chalet of the Alps!

Located in the area of Patier, a quiet neighbourhood of Verbier, only a couple of minutes drive from the centre and the lifts. Its position offers amazing views to the valley and the mountains facing Verbier. The chalet is south facing, which gives the chalet natural warmth and plenty of light.

In the world-renowned Swiss ski resort of Verbier, at 1500m altitude, lies one of the best chalets of the Alps. Covering an unprecedented 3000 square meters, sleeping 18 guests in utter luxury and comfort, with unbelievable spa facilities and expertise, there is simply no other chalet like this one. If you are looking for the biggest and the best, you have found it.
